Description

This Carthago Chic E-Line I51 “Linerclass” represents the perfect combination of luxury, engineering excellence, and long-distance travel comfort. Finished in elegant silver metallic, this motorhome is in immaculate condition, meticulously maintained, and equipped with an extensive list of high-end extras.
With a length of 7.83 meters, a width of 2.27 meters, and a height of 3.20 meters, it offers a spacious and refined living environment. Built on a robust platform with a 180 HP engine and automatic transmission, it ensures a smooth and reliable driving experience, complemented by a VB-Air full air suspension system for maximum comfort and stability.
Inside, the layout is thoughtfully designed for 4 people, featuring:
Twin single beds and an additional electric drop-down bed
A spacious side bathroom
A bright and open living area with premium finishes
The motorhome is exceptionally well equipped for independent and luxury travel, including:
Comfort & Living:
High-end interior in pristine condition
Electric roof skylight (Heki) with rain sensor
Full LED lighting throughout all storage compartments
Thetford compressor refrigerator with separate freezer drawer
Built-in oven, gas cooker, and extractor fan
Alde heating system supported by a Webasto diesel heater
Technology & Autonomy:
300Ah lithium battery system
400W roof solar panel + additional 200W portable solar panel
3000W Victron inverter (pure sine wave)
Additional battery charger for both leisure and starter batteries
LTE & WiFi external antenna – create your own onboard network
Garmin Camper navigation system with rear-view camera
Water & Utilities:
200L fresh water tank / 200L waste water tank
UV water purification system
Gas tank system with external filling and app monitoring
Clesana C1 modern cassette-free toilet system
Exterior & Practical Features:
VB-Air suspension with leveling, lifting, and tilt functions
Large rear garage with Thule sliding bike system
Heavy-duty rear bike carrier (up to 90 kg)
Electric awning with full-length LED lighting
Rain blocker set for extended outdoor comfort
MaxxFan ventilation system
Advanced security with HeoSafe locks and window protection
Additional highlights include:
Satellite system (Oyster) with 24” TV
Gas and anesthetic gas detector
Multiple USB and power outlets throughout
Reversing camera and parking assistance
The vehicle has been recently serviced, including:
Full major service completed 3,000 km ago
New brakes on all 6 wheels
New front tires
Air suspension serviced this spring
