Description

Dethleffs EBL 7051 – 160 HP | Euro 6d | First Registration 03/2021

This Dethleffs EBL 7051, first registered in March 2021, combines comfortable touring with practical equipment and a well-designed interior. Powered by a **118 kW (160 HP) Euro 6d engine** with a particulate filter, it offers a comfortable and reliable basis for enjoyable journeys.

The driving experience is supported by **automatic climate control, power steering and cruise control**. A **rear-view camera** and **navigation system** provide additional convenience when travelling and manoeuvring. ABS and central locking complete the practical equipment.

Inside, the motorhome offers a pleasant and functional living environment with **4 berths**, a **fixed bed** and a comfortable **central seating area**. A **separate shower** and **WC** provide additional privacy and convenience, making the vehicle well suited to longer trips.

For added comfort during your stay, the equipment includes an **auxiliary air-conditioning system, solar system and awning**. The **rear garage** provides useful additional storage space for luggage, travel equipment and other essentials. A **TV** is also available for relaxing moments during your travels.

The vehicle is **service-book maintained** and has a **green environmental badge (4)**. A **warranty** is also included.
