Description

The Mercedes-Benz Sprinter 4x4 (2022) with 190 HP and 9G-Tronic automatic transmission is a premium, high-quality camper that perfectly combines off-road capability, comfort, and full independence.
With its compact length of just 6 meters, it offers a surprisingly spacious and open interior, designed ideally for two people. The extendable bed (up to 1.90 m) ensures excellent sleeping comfort, while the smart layout provides plenty of storage space for everyday travel.
The interior build stands out with high-quality materials and solid craftsmanship. The living area is finished with felt lining, a durable PVC floor, and a real wood kitchen countertop. The kitchen is equipped with a household-quality sink and faucet.
A key highlight is the spacious bathroom with a separate shower (standing height 182 cm), foldable washbasin, and an integrated composting toilet (BIOTOI) with ventilation system.
