Description

Discover the perfect combination of everyday practicality and camping freedom with this Mercedes-Benz Vito Marco Polo Activity 4MATIC. Designed for comfortable travel in every season, this versatile camper van combines Mercedes-Benz quality, intelligent interior design, and the confidence of 4MATIC all-wheel drive.

The thoughtfully designed interior offers everything needed for weekend escapes or extended road trips. The swivelling driver and front passenger seats create a welcoming living area, while the comfortable three-seat rear bench easily converts into a sleeping area. Together with the roof bed in the colour-matched pop-up roof, the vehicle provides comfortable sleeping accommodation for your adventures.

Comfort is further enhanced by the auxiliary heater, heated front seats, automatic climate control, cruise control, navigation system, and parking assistance, making every journey relaxing regardless of the destination. The electric glass sliding/tilting roof adds extra light and ventilation, while the electrically opening rear side window improves airflow inside the cabin.

Practical features such as the folding table with integrated cup holders, 12V power outlet in the luggage compartment, seat rail tie-down points, and the included summer tent increase the vehicle's versatility for camping and outdoor activities.

The factory-equipped rough road suspension (Schlechtwegefahrwerk) together with the 4MATIC all-wheel drive system provides additional confidence on uneven roads and challenging terrain, allowing you to explore beyond the ordinary.

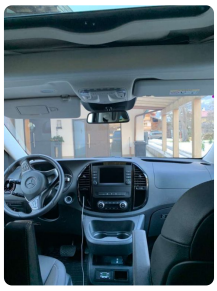

Highlights
