Description

This well-equipped camper offers an excellent balance of comfort, practicality, and advanced safety features, making it ideal for both everyday driving and travel adventures.

The vehicle is powered with efficiency in mind, featuring a diesel engine with particulate filter, Start-Stop system, and brake energy recovery. Safety is ensured with ABS, ASR, ESP, multi-collision braking, front, side and curtain airbags, as well as ISOFIX child seat anchors.

Driving comfort is enhanced by cruise control, crosswind assist, air conditioning, electrically adjustable and heated mirrors, power windows, and electromechanical power steering.

Inside, the camper is intelligently designed for flexibility and convenience. It features a manual pop-up roof with an upper double bed, a rear sleeping extension, and a versatile sliding rear bench with storage drawers and a Multiflex board. Additional features include a mini kitchen, multifunction table, multiple storage compartments, and full interior blackout system.

The vehicle comes equipped with modern technology such as App-Connect, DAB+ digital radio, Bluetooth mobile interface, 6 speakers, and a multifunction display.

Further highlights include an additional 75 Ah battery, multiple 12V outlets, awning rail, preparation for roof racks, heated rear window, rear wiper, sliding window, central locking with remote control, and a removable tow hitch.

A very practical and versatile camper, ready for comfortable travel and everyday usability.
